

16,884

learners participated in our Class in the Clouds programme

ECONOMIC RESPONSIBILITY

More than **95%** of our retail products are sourced locally

We've streamlined our payment processes to **pay smaller suppliers weekly**, so as to support their cashflow.

We **assist small enterprises** with setting up business practices, e.g. invoicing, transport etc.

SOCIAL RESPONSIBILITY

Our Corporate Social Responsibility includes the following:

- 1** Offering **concession** tickets to **community organisations**.
- 2** Our **Class in the Clouds** Programme provides learners with an opportunity to **explore the fauna and flora** of Table Mountain on a **guided tour**.
- 3** Two unemployed disabled learners are currently completing their **General Education and Training Certificate (GETC) Domestic Series Learnership NQF level 1**.

106

community organisations were offered concessions

16 BURSARIES were awarded to staff for further studies

3 STAFF MEMBERS

participated in a Learnership programme that provided participants with a general understanding of the business environment

ENVIRONMENTAL RESPONSIBILITY:

93,814 kg waste was recycled

8% reduction in electricity usage per visitor

9% reduction of water usage per visitor
